Conjugation patterns

- **Regular -er verbs (1st group)** (rester, regarder, travailler, habiter...): drop *-er* and add *-e, -es, -e, -ons, -ez, -ent*. Past participle *-é* (*j'ai regardé*), future = infinitive + *-ai* (*je regarderai*).
- **Regular -ir verbs (2nd group)** (finir, choisir, réussir, réfléchir): drop *-ir* and add *-is, -is, -it, -issons, -issez, -issent*. The *-iss-* appears in the plural (*nous finissons*). Past participle *-i* (*j'ai fini*).
- **Regular -re verbs** (entendre, répondre, rendre, attendre, perdre, descendre, vendre): drop *-re* and add *-s, -s, —, -ons, -ez, -ent* (*il attend* has no ending). Past participle *-u* (*j'ai attendu*); future drops the final *e* (*j'attendrai*).
- **Spelling-change -er verbs** keep regular endings but adjust the stem to keep the sound:
  - *c* → *ç* and *g* → *ge* before *o*: *nous commençons*, *nous changeons*, *nous voyageons*.
  - Double consonant: *j'appelle* / *nous appelons*, *je jette* / *nous jetons*; future *j'appellerai*, *je jetterai*.
  - *e* → *è*: *j'achète, je me lève, je me promène* (but *nous achetons*); future *j'achèterai*.
  - *é* → *è*: *je préfère, j'espère, je répète* (but *nous préférons*); the future keeps *é* (*je préférerai*).
  - *y* → *i* (optional for -ayer): *j'essaie* / *j'essaye*, *je paie* / *je paye*.
- **Irregular families** — learn one, and you know the rest:
  - **partir / sortir / dormir / sentir / servir**: singular drops the last stem consonant (*je dors, je sors, je sens, je sers*), plural keeps it (*nous dormons, nous sortons*).
  - **venir / tenir / devenir / revenir / se souvenir**: *je viens, je tiens ... nous venons, ils viennent*; past *venu* / *tenu*; future with *-dr-* (*je viendrai, je tiendrai, je me souviendrai*).
  - **prendre family** (prendre, apprendre, comprendre): *j'apprends, nous apprenons, ils apprennent*; past *appris*.
  - **mettre family** (mettre, permettre, promettre): *je promets, nous promettons*; past *promis, permis*.
  - **ouvrir / offrir / découvrir**: present uses -er endings (*j'ouvre, tu offres, il découvre*); past *ouvert, offert, découvert*.
  - Others to learn individually: falloir, pleuvoir (impersonal, *il* only), vivre, écrire, suivre, lire, recevoir, reconnaître, courir, boire, mourir, envoyer, conduire, rire, naître, s'asseoir.
- **Verbs that take être in the passé composé** — remember **DR & MRS VANDERTRAMPP**: **D**evenir, **R**evenir, **M**onter, **R**ester, **S**ortir, **V**enir, **A**ller, **N**aître, **D**escendre, **E**ntrer, **R**entrer, **T**omber, **R**etourner, **A**rriver, **M**ourir, **P**artir, **P**asser.
  - In this guide: rester, arriver, sortir, entrer, devenir, revenir, tomber, monter, rentrer, mourir, naître, descendre (*je suis resté(e)*, *elle est née*).
  - **All pronominal verbs** also use être: *je me suis levé(e)*, *je me suis assis(e)*, *je me suis souvenu(e)*, *nous nous sommes promené(e)s*.
  - With être, the past participle agrees with the subject: *elle est arrivée*, *ils sont sortis*.
  - Monter, descendre, sortir, rentrer and passer use **avoir** when they have a direct object: *j'ai monté les valises* (I carried the suitcases up).
